

FAASTeam presents:

FAASTeam Flight Instructor 'OPEN FORUM' for CFI's, DPE's Pilots & Students--LOSS of Control

This "Open Forum" is: Analyzing the Risk associated with LOSS of CONTROL

ALL PILOTS AND
STUDENTS ARE WELCOME!!

Loss of control is on the FAA's and NTSB's most wanted list for accident prevention. With proper analysis of accidents instructors and students will recognize the red flags leading to loss of control, from start up to shut down. Additionally the seminar will explore the factors that influences pilot's judgment and Decision making critical to all flight operations.

FAASTeam Flight Instructor Open Forums provide an opportunity for Certified Flight Instructors, (CFI's), Designated Pilot Examiners, (DPE's), and the FAA Safety Team, (FAAST) to meet and discuss one or more of the Top 10 Causal Factors in General Aviation, (GA) Accidents at each Open Forum. This provides for a discussion of topics of concern to all individuals responsible for the education and safety of GA.

Directions: DRIVE: See Map Link. FLY-IN: Park in transient parking in front of Terminal. Ask for Progressive.
